Monkey Magic Celebrate 10 Years

Monkey Magic are delighted to be celebrating our 10th Birthday this year, and also the 10th Anniversary of our gold-medal winning weekend back in 2008.

It's crazy to think about how much has changed in our ten years as a quartet, but in a strange way how little has changed too. We still have the same simple aims now that we did when we started - have fun together and entertain every audience we sing to. These aims have stood the test of time for us and led to some pretty amazing opportunities which we are eternally grateful for!

We are excited to be on tonight's show, share some of the highlights of our ten years together, and thank you for all the support you have shown us.
